

I AM A LISCENCED HAM OPERAROR WHO IS CONCERNED ABOUT BROAD BAND ON THE HF SPECTRUM. THIS IS POLLUTION WE SHOULD NOT ALLOW. HAM RADIO IS A VIABLE SERVICE THAT HAS PROVED SUCESSFUL IN EMERGENCY OPERATIONS. IF YOU LET THE BIG MONEY POWERS TO BE HAVE THEIR WAY THEY WILL OVERRUN US.JUST THINK WHEN A DISASTER HAPPENS AND COMMUNICATIONS ARE DOW , WHO DOES THE AMERICAN PUBLIC RELY ON FOR COMMUNICATIONS. ITS THE INDIVIDULE HAM OPERATOR OR A TEAM OF HAMS WORKING TOGETHER.DONT BE LIKE OTHERS AND FOLLOW THE CROWD. LET HAM RADIO LIVE ON THE HF BANDS SO WE CAN CONTINUE THIS VALUABLE SERVICE AND HOBBY. THATS FOR LISTENING .
